The Honorable William J. Casey  
Director of Central Intelligence  
Central Intelligence Headquarters  
Washington, DC 20505

Dear Mr. Casey:

I request that John J. Parisi, a member of the minority professional staff of the House Committee on Government Operations, be granted clearance to receive sensitive compartmented information (SCI) in preparation for and for participation in hearings on the role of the intelligence community in federal government efforts to interdict drug smuggling.

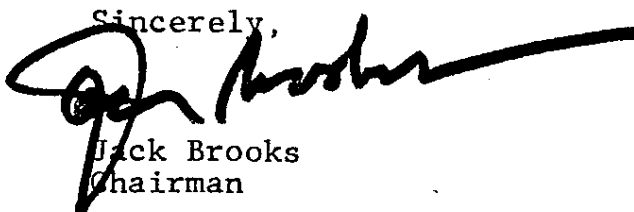

These hearings are to be held on Monday, November 14, 1983, and Wednesday, November 16, 1983, by the Subcommittee on Government Information, Justice, and Agriculture. Subcommittee Chairman Glenn English has given notice that these hearings will be closed in order to receive national security information. As the minority professional staff member assigned to that Subcommittee, it will be necessary for John to have such clearance in order to continue to participate in the Subcommittee's oversight of federal government efforts to interdict drug smuggling.

John currently holds security clearance to the level of Top Secret, which was granted by the Committee on Government Operations, after a full field investigation conducted by the Office of Personnel Management on January 21, 1983. John's Social Security number is [redacted] and his date and place of birth are [redacted] and [redacted] Michigan, respectively.
